PATIENT PREPARATION FOR RENAL ULTRASOUND SCAN

- 1. Bring with you GP (General Practitioner) referral for renal ultrasound scan**
- 2. Bring with you ultrasound scans you have done in the past and all the documents regarding the examination (blood tests, medical charts, etc...)**
- 3. You are not required to fast for this exam**

Remind that booking time is merely approximate and it may not always coincide with that of the execution of the exam.

This is because clinical urgencies, technical and organizational problems may cause delays in the work schedule.

In case you are not able to present yourself, please inform the regional booking centre at the number 800 098 798
